Sell rugs on the go

explorUG can be accessed from anywhere, using any internet connected device. So, your sales people can show your collections to customers even when they are not in the showroom, customize and take orders straight away.

The 1m² Showroom

- 1 Easy to set up and get started in a small area
- 2 No need to stock rugs, only poms and samples are required
- 3 No limit on the number of designs and variations on color, shape, size and quality
- 4 Easy navigation through all collections, designs and variations
- 5 Instant customization and ordering

A Conventional Rug Showroom

- ⚠ Large floor area and warehouse
- ⚠ Investment in unused stock
- ⚠ Limited designs and variations
- ⚠ Difficult to find the right rug
- ⚠ Difficult for customer to order the right rug
